## A BILL

To designate a portion of the Otay Mountain region of California as wilderness.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2       This Act may be cited as the “Otay Mountain Wilder-  
3 ness Act of 1999”.

4 **SEC. 2. FINDINGS.**

5       The Congress finds and declares the following:

6           (1) The public lands within the Otay Mountain  
7 region of California are one of the last remaining  
8 pristine locations in western San Diego County,  
9 California.

10          (2) This rugged mountain adjacent to the  
11 United States-Mexico border is internationally  
12 known for its diversity of unique and sensitive  
13 plants.

14          (3) This area plays a critical role in San  
15 Diego’s multi-species conservation plan, a national  
16 model made for maintaining biodiversity.

17          (4) Due to its proximity to the international  
18 border, this area is the focus of important law en-  
19 forcement and border interdiction efforts necessary  
20 to curtail illegal immigration and protect the area’s  
21 wilderness values.

22          (5) The illegal immigration traffic, combined  
23 with the rugged topography, also presents unique  
24 fire management challenges for protecting lives and  
25 resources.

1 **SEC. 3. DESIGNATION.**

2 In furtherance of the purposes of the Wilderness Act  
3 (16 U.S.C. 1131 et seq.), certain public lands in the Cali-  
4 fornia Desert District of the Bureau of Land Manage-  
5 ment, California, comprising approximately 18,500 acres  
6 as generally depicted on a map entitled “Otay Mountain  
7 Wilderness” and dated May 7, 1998, are hereby des-  
8 ignated as wilderness and therefore as a component of the  
9 National Wilderness Preservation System, which shall be  
10 known as the Otay Mountain Wilderness.

11 **SEC. 4. MAP AND LEGAL DESCRIPTION.**

12 (a) IN GENERAL.—As soon as practicable after the  
13 date of enactment of this Act, a map and a legal descrip-  
14 tion for the Wilderness Area shall be filed by the Secretary  
15 with the Committee on Energy and Natural Resources of  
16 the Senate and the Committee on Resources of the House  
17 of Representatives. Such map and legal description shall  
18 have the same force and effect as if included in this Act,  
19 except that the Secretary, as appropriate, may correct  
20 clerical and typographical errors in such legal description  
21 and map. Such map and legal description for the Wilder-  
22 ness Area shall be on file and available for public inspec-  
23 tion in the offices of the Director and California State Di-  
24 rector, Bureau of Land Management, Department of the  
25 Interior.

1 (b) UNITED STATES-MEXICO BORDER.—In carrying  
2 out this section, the Secretary shall ensure that the south-  
3 ern boundary of the Wilderness Area is 100 feet north  
4 of the trail depicted on the map referred to in subsection  
5 (a) and is at least 100 feet from the United States-Mexico  
6 international border.

7 **SEC. 5. WILDERNESS REVIEW.**

8 The Congress hereby finds and directs that all the  
9 public lands not designated wilderness within the bound-  
10 aries of the Southern Otay Mountain Wilderness Study  
11 Area (CA-060-029) and the Western Otay Mountain Wil-  
12 derness Study Area (CA-060-028) managed by the Bu-  
13 reau of Land Management and reported to the Congress  
14 in 1991, have been adequately studied for wilderness des-  
15 ignation pursuant to section 603 of the Federal Land Pol-  
16 icy and Management Act of 1976 (43 U.S.C. 1782), and  
17 are no longer subject to the requirements contained in sec-  
18 tion 603(c) of that Act pertaining to the management of  
19 wilderness study areas in a manner that does not impair  
20 the suitability of such areas for preservation as wilderness.

21 **SEC. 6. ADMINISTRATION OF WILDERNESS AREA.**

22 (a) IN GENERAL.—Subject to valid existing rights  
23 and to subsection (b), the Wilderness Area shall be admin-  
24 istered by the Secretary in accordance with the provisions

1 of the Wilderness Act (16 U.S.C. 1131 et seq.), except  
2 that—

3           (1) any reference in such provisions to the ef-  
4       fective date of the Wilderness Act is deemed to be  
5       a reference to the effective date of this Act; and

6           (2) any reference in such provisions to the Sec-  
7       retary of Agriculture is deemed to be a reference to  
8       the Secretary of the Interior.

9       (b) BORDER ENFORCEMENT, DRUG INTERDICTION,  
10   AND WILDLAND FIRE PROTECTION.—Because of the  
11   proximity of the Wilderness Area to the United States-  
12   Mexico international border, drug interdiction, border op-  
13   erations, and wildland fire management operations are  
14   common management actions throughout the area encom-  
15   passing the Wilderness Area. This Act recognizes the need  
16   to continue such management actions so long as such  
17   management actions are conducted in accordance with the  
18   Wilderness Act (16 U.S.C. 1131 et seq.) and are subject  
19   to such conditions as the Secretary considers appropriate.

20   **SEC. 7. FURTHER ACQUISITIONS.**

21       Any lands within the boundaries of the Wilderness  
22   Area that are acquired by the United States after the date  
23   of enactment of this Act shall become part of the Wilder-  
24   ness Area and shall be managed in accordance with all

1 the provisions of this Act and other laws applicable to such  
2 a wilderness.

3 **SEC. 8. NO BUFFER ZONES.**

4 The Congress does not intend for the designation of  
5 the Wilderness Area by this Act to lead to the creation  
6 of protective perimeters or buffer zones around the Wil-  
7 derness Area. The fact that nonwilderness activities or  
8 uses can be seen or heard from areas within the Wilder-  
9 ness Area shall not, of itself, preclude such activities or  
10 uses up to the boundary of the Wilderness Area.

11 **SEC. 9. DEFINITIONS.**

12 As used in this Act:

13 (1) PUBLIC LANDS.—The term “public lands”  
14 has the same meaning as that term has in section  
15 103(e) of the Federal Land Policy and Management  
16 Act of 1976.

17 (2) SECRETARY.—The term “Secretary” means  
18 the Secretary of the Interior.

19 (3) WILDERNESS AREA.—The term “Wilderness  
20 Area” means the Otay Mountain Wilderness des-  
21 ignated by section 3.
